WHAT IS IT?

A secure, cloud based audio recording system designed with your budget in mind. Record phone lines, radio and more without the need for expensive storage media. Your audio is stored in our HIPAA and SOX compliant cloud utilizing leading edge technology for quick and secure access 24/7 via your favorite web browser.

SECURE!

- UN-COMPRESSED (LOSS-LESS) AUDIO FORMAT
- VERIFIED AUTHENTICITY OF THE ORIGINAL RECORDING
- USER ACCESS AUDIT TRAIL
- COMPLIANCE WITH HIPAA AND SOX
